**Couture Homes Limited (a member of CSI Properties Limited)
sponsors the “Talk of The Town: The Oxford Gargoyles Inaugural Asia Tour”**

(March 22, 2014) -- Couture Homes Limited (‘Couture Homes’), the wholly owned subsidiary of CSI Properties Limited (Stock code: 497), is dedicated to foster a better and more harmonic community and contributes to community by sponsoring charitable and educational functions in Hong Kong. The Group’s recent social connection activity is sponsorship on “Talk of The Town: The Oxford Gargoyles Inaugural Asia Tour” organized by Child Builder Organization.

Child Builder Organization has been creating free alternative education experiences and emotional support for excluded and severely underprivileged children in Hong Kong since 2007. One of their most popular and successful ways of including and inspiring children from difficult backgrounds to build self-esteem, grow in confidence and learn new skills is through participation in the Hong Kong Show Choir. The Show Choir enables disadvantaged children to receive professional training in musical theatre. For those who want it, they offer the opportunity for children to gain professional experience in music, linguistics, speech and drama. Ms. Cora Jue, Chief Executive Officer of Child Builder Organization said, “It is with great pleasure that we have this opportunity of introducing the public with our ‘Talk of The Town: The Oxford Gargoyles Inaugural Asia Tour’. Under this event, our children not only have the opportunity to associate with a group of elites from a prestige University, but also uplift their standard of music and enjoy a precious performing moment on the same stage with them.”

Mr. Jimmy Fong, Executive Director of CSI Property and Managing Director of Couture Homes, said, “Couture Homes is honored to be invited to sponsor and participate in such meaningful and charitable event. We will continue to seek for opportunities to contribute and connect to the community through participating in different kinds of community activities.”
