It has been creating free alternative education experiences and emotional support for underprivileged children. Child Builder Organization believes that every child is gifted and entitled to equal educational and creative opportunities. Child Builder Organization regularly holds open-to-the-public events as the showcase of the children’s talent. One of their most popular and successful ways of involving and inspiring children from difficult backgrounds to build self-esteem, grow in confidence and learn new skills is through participation in the Hong Kong Show Choir. The Show Choir enables disadvantaged children to receive professional training in musical theatre. For those who want it, they offer the opportunity for children to gain professional experience in music, linguistics, speech and drama. The “So, This is Christmas 2017” concert is one of the events that again be held before Christmas this year. Several Children gathered together at the Sai Ying Pun Community Hall, with Miss Eli Mhlongo, the main actress of HK Disneyland Lion King Show, being invited as a special guest, making it a delightful and successful concert.

Mr. Jimmy Fong, Executive Director of CSI Properties Limited and Managing Director of Couture Homes Properties Limited, said, “Couture Homes is honored to be invited to sponsor this event. Such event provides a platform for children’s growth, which is meaningful and charitable. We will continue to seek for opportunities to contribute and connect to the community through participating in different kinds of community activities.”
